

## Mini installation beacon / LED Beacon 816

# **LED Blinking Beacon EM 24VAC/DC YE**

| MECHANICAL DATA              |                             |
|------------------------------|-----------------------------|
| Height                       | 97 mm                       |
| Diameter                     | 75 mm                       |
| Materials                    | PC<br>PC/ABS                |
| Dome colour                  | Yellow                      |
| Protection category          | IP65                        |
| Connection                   | Screw terminals             |
| cross-sectional area maximum | 1,50mm <sup>2</sup> / 16AWG |
| Cable entry                  | Through hole                |
| Cable entry maximum          | d = 9 mm                    |
| Tension relief               | Present (conforms to VDE)   |
| Type of fixing               | Built-in mounting           |
| Working temperature minimum  | -20°C                       |
| Working temperature maximum  | +50°C                       |
| Weight with packaging        | 123 g                       |
| Product weight               | 97 g                        |

| ELECTRICAL DATA             |                                |
|-----------------------------|--------------------------------|
| Operating voltage           | 24V                            |
| Operating voltage type      | AC/DC                          |
| Operating voltage frequency | 50Hz                           |
| Operating voltage tolerance | +/- 10%                        |
| Rated operational voltage   | 24 VDC                         |
| Rated operational current   | 45 mA                          |
| Rated inrush current        | 500 mA                         |
| Protection class            | Protection class 2             |
| Pollution degree            | 3<br>In the connection area: 2 |

| OPTICAL DATA         |                   |
|----------------------|-------------------|
| Light source         | LED               |
| Light colour         | Yellow            |
| Optical signal image | Blink             |
| Blink frequency      | 1 Hz              |
| Service life optical | 100,000 h maximum |

| APPROVAL DATA                |     |
|------------------------------|-----|
| Conforms with CE             | Yes |
| Conforms with RoHS directive | Yes |
| WEEE                         | Yes |
